**Special To Me**

To you, I may never be more than, just a friend  
But you'll always, be special, to me  
To you, I may never be closer than I've been  
But you'll always, be special, to me.

Maybe I've, set my sights, too high to be real,  
And I may be wrong, but love is strong,  
And I can't hide how I feel.  
To you, I may never, be more than, just a friend  
But you'll always, be special, to me.

*Musical Interlude*

Maybe I've, set my sights, too high to be real,  
And I may be wrong, but love is strong,  
And I can't hide how I feel.  
To you, I may never, be more than, a friend  
But you'll always be special, to me  
You'll always be special, to me.
